

OBGYN System!

The Aaron 1250-G is a total system solution specifically designed for the OBGYN...

Bovie/Aaron Medical is committed to serving your needs with total system solutions.

We've combined our Aaron 1250 package with our superb smoke evacuation system and our latest mobile stand technology to produce a compact, mobile system for the office or hospital.

As an added benefit we added a loop electrode kit and a smoke evacuator hose reducer fitting for attaching to a vaginal speculum to create the best GYN system on the market today.
